Luna is a no-hoper with a secret: in a world of illusion, she can see what is real. But can she see the truth before it is too late?

Luna has always been able to exist in virtual and real worlds at the same time, a secret she is warned to keep. She hides her ability by being a Refuser: excluded by choice from the virtual spheres others inhabit. But when she is singled out for testing, she can't hide any longer.

The safest thing to do would be to fail, to go back to a dead-end life, no future. But Luna is starting to hope for something better, and hope is a dangerous thing...
