THE WRONG KIND OF HERO.

“Girls canâ€™t be in the navy! Girls take care of babies! Youâ€™re so stupid, you donâ€™t know anything!”

London. 1783. Wendy Darling is an orphan, living in an overcrowded almshouse, ridiculed for believing in a future she can never have. More than anything in the world, she wants to be the captain of a ship. But thatâ€™s impossible. Isnâ€™t it?

By 1789, sheâ€™s sixteen, old enough to be sold into service as a dressmaker or a servant. When she learns the Home Office is accepting a handful of women into its ranks, she jumps at the chance, joining the fight against the most formidable threat England has ever faced. Magic.

But the secret service isnâ€™t exactly what she had hoped. Accompanied by a reimagined cast of the original Peter Pan, Wendy soon discovers that her dreams are as far away as ever, that choosing sides isnâ€™t as simple as she thought, and that the only man who isnâ€™t blinded by her gender... might be her nationâ€™s greatest enemy.
